

# Local Teen Attempts Work For First Time

## Hunter Cress works at online class for first time this semester

Hunter Cress said, "I want to see if I can switch out"

Despite his *many* claims he was going to begin it earlier, he **did not**

Hunter Cress is currently taking Sports and Entertainment Marketing. He loathes work, but also just discovered how much money the government takes from taxes. Estimates show his brain activity is reaching an all time high.
